30 MINUTE ACCESS & DOWNLOAD CAP

You control access by handing your customers an access card that expires 30 minutes after they initially log in. And you can give your really special customers as many cards as you like! All access cards have your café name on them so customers know where to come for more free access! A download limit is also specified.

EASY TO CONNECT

Hand your customer an access card, they use their wireless enabled device (laptop, iPhone) to connect to the hotspot and then simply open their internet browser. They will be redirected to the welcome page shown to the left. Enter the username and password from the access card and they have 30 minutes free access!

EASY TO INSTALL

Absolutely no technical knowledge is required and we can even take care of the installation for you! All you need is an existing ADSL connection for the hotspot to plug into to get it up and running. It's really that simple!

SECURE

Happy hotspots are designed to be secure for both you and the customer using the hotspot. Hotspot users cannot connect to each other and they cannot connect to your computers!

SUPPORT

You and your customers get continuous support for the hotspot service throughout the entire agreement using our 1300 number.

ADD VALUE TO YOUR BUSINESS AND HAVE AN EDGE OVER YOUR COMPETITORS

With free listings on the global wireless hotspot directories new customers will come looking for this great free service.
